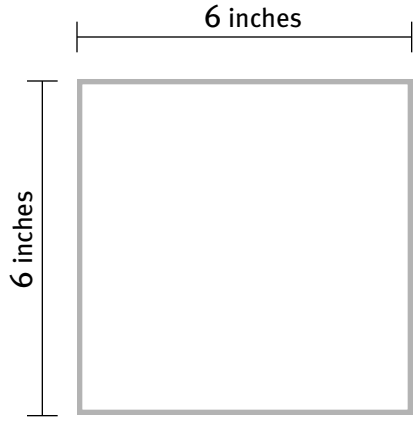
Bird Call to Artists

for the 6x6 Wild Art Project

A feature of Portland Audubon Society's ***2008 Wild Arts Festival***

Paint a bird to help the birds!



Join the 6x6 project and use your creative talent to support the Audubon Society of Portland. Art Media is donating the 6 inch x 6 inch canvases and we are asking artists to donate their time and talent to create a piece of art that will be sold at the Wild Arts Festival, November 22 and 23, 2008.

The details:

1. Pick up a 6"x 6" canvas and project form at any Art Media store.

2. Paint, assemble or create your canvas. ***The theme is Birds.***

3. Return your finished canvas along with the completed bottom portion of this form by October 15 to any Art Media store. *Please be sure to print your full name clearly on the back of the canvas frame.* In addition to being part a fun collective project and supporting an important cause, artists will receive 2 passes to the Wild Arts Festival, and discount coupons for **Art Media,** the **Portland Audubon Nature Store** and **Urban Grind Coffee**. Artists will be recognized in the Festival program and on the Portland Audubon website.

Canvases will be exhibited and sold at the 2008 Wild Arts Festival held at Montgomery Park in northwest Portland. They will be priced at $40 each. *All proceeds from the sales will support the conservation, environmental education and wildlife rehabilitation work of the Audubon Society of Portland.*
